Topic: Enhancement to Closing Request Process

Partners,

Union Home Mortgage Corp. (UHM) continues to listen to our Partners' suggestions for improvement which has resulted in the enhancement of scheduling closings as soon as the initial CD has been sent to the borrower(s).

Effective today, when the Underwriter clears all Prior to Approval (PTA) conditions and issues the approval they will include the closing request form in the email. This change will allow you to schedule your closing packages earlier in the process.

Thank you again for your continued feedback and partnership and as always if you have any questions, please contact your Account Executive.
